Steve and Kerry – I just spoke with Larry Rader regarding the email below.

We will treat the message from Bill Meyer as a comment on the initial AR. The SitReps he lists are not presently in the AR, but If you guys think they should be in the AR, I will get them in.

Just a reminder, for this AR we have published a notice that the initial AR is available for review and comment and we will publish a notice for review and comment on a final AR when the action memo is signed. So please let me know if there are other documents, such as other Sit Reps, that you want to put in the AR.

Thanks

Please include SITREP's 2, 3 & 4 in the GKM administrative record documents. These documents were on the EPAOSC web site until they were removed on Aug. 16, 2015.

Thank you for your assistance.

Regards,

William Meyer
